**DATA PROTECTION**

THE INFORMATION IN THIS HANDBOOK IS FOR THE USE OF CLUB  
MEMBERS ONLY.

PLEASE DO NOT GIVE OUT THIS INFORMATION

PLEASE DESTROY THIS INFORMATION WHEN IT IS NO LONGER USEFUL

Members wishing to start up a new Noggin and Natter should get in touch with their regional secretary to discuss and agree the detailed arrangements.

To encourage participation by Members in the management and development of the Club, a regular “President’s Conference” is held, chaired by the President. The purpose is to review progress and develop new policy and directions for the Club. All members of the Regional Committees are encouraged to attend, as well as the National Committee members. The aim is to reach a consensus, and all Members present may vote.

The contact details of all members of the National and Regional Committees are in the enclosed booklet. The National Committee delegates the administration of each regional group to a Regional Committee. The Regional Committees are accountable to the National Committee via the Regional Secretaries, who in turn are ex-officio members of the National Committee.

The AGM is held in October. All Members are invited to attend, and all Members may vote at the AGM, either in person or by proxy.

The Rules and Articles of Association of the Pre 1940 Morris Register Ltd are available on the Club’s web site, or by post from your Regional Secretary or from the National Secretary.

Any complaints concerning the management and administration of the Club at a regional level should be referred to the Regional Secretary. Any other complaints, or a grievance against another member, should be referred to the National Secretary.

The Club has a Data Policy that governs how the data we collect from members is used. This is available from your regional secretary or from the national secretary.

***Dear member***

***We would like to welcome you to the Club by featuring you and your car in the News Section of the Club website.***

***If you would care to send a short story of your car together with a picture of your car and / or yourself to Chris Lambert at [webnews@morrisregister.co.uk](mailto:webnews@morrisregister.co.uk)***

Please note that all our club officers are unpaid volunteers. We would be very grateful if you would respect our availability and leave a message if we are not available when you call. We will get back to you within a very short time.

The purpose of the Morris Register is to promote an interest in and the enjoyment of Morris vehicles of a type first designed before 1940.

The Morris Register commenced life as the “Morris 8 Tourer Club” (M8TC). Two enthusiasts who shared a common interest in pre-war Morris 8hp tourers (Minors and Eights 1929-1939) put an announcement of the formation of the club in the motoring press in January 1960, and membership grew steadily. With the growth in membership, came the formation of regional groups, and a pattern of events, meetings and rallies that has continued until the present day.

Under pressure, the club eventually admitted Minor saloons in 1961 and Eight saloons in 1964 as associate members. Pressure to extend the scope of vehicles covered by the M8TC continued, and in 1967 a separate “10/25 Register” was established under the umbrella of the M8TC. It was also at this time that Eight saloon owners were granted full membership of the increasingly inappropriately named “Morris Eight Tourer Club and Morris 10/25 Register”, and in 1968 the name “Morris Register” was adopted.

The club now caters for all Morris vehicles (cars, vans and commercials) designed before 1940. This includes vehicles in production from 1913 to 1953. The structure and organisation of the Register has continued to evolve, with an active programme of events, a monthly magazine (“Morris Monthly”), a website and forum ([www.morrisregister.co.uk](http://www.morrisregister.co.uk)), and a comprehensive spares service.

Regional Groups play a key role in the administration of the Club. The details of the Regional Committees are on pages 4-8. Members are encouraged to get in touch with their Regional Secretary to find out more about Club events and activities locally, as well as information about Club services.

Local meetings called “Noggins and Natters” are held at various locations within each region – details are reported in Morris Monthly. Members are strongly encouraged to take part in these meetings, both for the practical support and advice that is always on offer, and for the enjoyment of social activities and events.

The “Noggins & Natters” are each organised by a volunteer “Noggin Organiser”, and have no formal constitution or membership of their own; they are a component of the Club’s regional structure and are open to any Members of the Club. The Noggin Organiser is accountable to the Regional Committee, and ensures that the Noggin meetings and events are in keeping with Club rules and policy. Wherever possible it is encouraged that the Noggin Organiser becomes a member of the Regional Committee.
